For more information

Shotokan Karate is a traditional Japanese style. This class is designed for students ages 6 through 9. The class is taught by certified elementary education teachers that have many years of Karate experience. In addition to learning the fundamentals of Shotokan Karate, the students will learn to be polite, courteous and respectful. They will also learn some aspects of the Japanese language and culture. The course encourages family participation that helps build a child's self-esteem and willingness to succeed.
