**AQUABATA** is a High Intensity Interval Training (HIIT) workout. The Tabata format transitions into the water with high-powered results. AquaBata....for an Aqua Body!

**AQUA DEEP** is a fun cardiovascular inspired workout in the deep water. We emphasize movements that involve large muscle groups in a full range of motion with no joint impact. Utilizing the water's resistance, you will get a total body workout in 45 minutes. This format is ideal for beginners, participants recovering from injury or people seeking low to moderate intensity exercise. Water belts are available for class; advanced swimming skills not required, but it is helpful to be comfortable in deep water.

**AQUA FIT** Enjoy the benefits of aerobics, weights and stretching in one workout. This class is designed for participants to use water resistance the help develop 3 components of fitness: cardio, muscle endurance, and flexibility. Come get Aqua Fit!

**AQUA LOW** A low impact, low intensity class designed to help joint mobility and relieve discomfort. Optional Deep water exercises may be modified to be performed in the shallow end. Swimming skills are not required.

**AQUA MOVE** is a cardio class that pumps the heart rate and provides overall body toning.

**AQUA TONE** blends fun and fitness together into a safe, challenging water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating. All exercises done in the shallow end of the pool and swimming skills are NOT required.

**CARDIO SPLASH** This energetic class will increase your cardiovascular fitness while providing low joint impact. Appropriate for all fitness levels. The entire body will benefit from the strength building exercises, as well as increasing flexibility and range of motion.

**H2O FLOW** High energy aerobic moves and Tabata sequences to motivating music provides you with an exciting, effective fitness workout. Jump in and give this class a try!
