Key: (s) special needs, (b) beginners, (i) intermediate, (a) advanced, (*) Prior swimming skills recommended

AQUABATA is a High Intensity Interval Training (HIIT) workout. The Tabata format transitions into the water with high-powered results. AquaBata....for an Aqua Body!

AQUA FIT Enjoy the benefits of aerobics, weights and stretching in one workout. This class is designed for participants to use water resistance the help develop 3 components of fitness: cardio, muscle endurance, and flexibility. Come get Aqua Fit!

AQUA LOW A low impact, low intensity class designed to help joint mobility and relieve discomfort. Optional Deep water exercises may be modified to be performed in the shallow end. Swimming skills are not required.

AQUA MOVE is a cardio class that pumps the heart rate and provides overall body toning.

BATA SPLASH blends the best of Cardio Splash and AquaBata classes!

CARDIO SPLASH This energetic class will increase your cardiovascular fitness while providing low joint impact. Appropriate for all fitness levels. The entire body will benefit from the strength building exercises, as well as increasing flexibility and range of motion.

WATER WORKS is a fun motivating water experience to invigorate the body. Focus is on working all muscle groups- long and loose to short and tight- utilizing the resistance of the water. To enhance balance, strength and power, mixing core with aerobic work, stretching and, of course, a bit of dance! Unwind and tone up with endorphins grooving to music..ONE TWO CHA-CHA-CHA!
