Aqua Fit Class Descriptions

Aqua Jazz: Using jazz and a variety of music to implement strength, core, and balance techniques in both deep and shallow water using a variety of equipment.

Cardio Splash: Focus is on aerobic fitness and muscular specific training. Every muscle group will be worked for 3-5 minutes with a cardio burst between sets. Options are provided to accommodate all fitness levels.

Aqua Fit: Aqua Fit is a moderate impact class with suggested low impact modifications when needed. A variety of moves utilize the water's resistance and waist to chest depth to improve cardio, strengthen major muscle groups and promote stability and improved balance.

Aquabata: Interval training in tabata format. Twenty second work cycle followed by 10 seconds of rest. Participants are encouraged to work at their own speed and level of intensity.

Aqua Blast: 30 minutes of aerobic fitness, using a whole body workout. 15 minutes of strength training. Accommodations for your personal fitness level are available.

Hydropower: A high-energy cardio workout that also uses resistance for strength training. Great for circulation and easy on joints. Fun and safe for all fitness levels.

Hi/Low Aqua: Learn core balance, endurance, with training to assist for knee hip, ankle and shoulder issues with suspension in deeper water with flotation devices.

Aqua Power: This high-energy, low-impact class is sure to create a big splash! Cardio Conditioning while the resistance of the water will assist you in strengthening and sculpting all major muscle groups. This class is designed to provide a vigorous full-body workout for all ages and fitness levels.
